Austin Community College Internship For Students 2026

Description

The Austin Community College Internship Program provides students with valuable real-world work experience in their chosen field while earning academic credit. Interns will work alongside professionals on meaningful projects, gaining insights into specific career paths and developing key skills.

Responsibilities

- Assist departmental staff with various tasks, as assigned.
- Conduct research and gather information relevant to departmental projects.
- Develop content, presentations, or reports based on assigned projects.
- Participate in meetings and take notes as needed.
- Communicate effectively with staff, colleagues, and the public.
- Adhere to departmental policies and procedures.

Qualifications

- Currently enrolled in an ACC degree program.
- Minimum GPA of 2.5 (may vary depending on department).
- Strong commitment to learning and professional development.
- Ability to work independently and as part of a team.
- Excellent communication and interpersonal skills.
- Proficiency in MS Office Suite or similar software (may vary depending on department).

Experience

- Prior internship or volunteer experience preferred (not required).
- Experience relevant to the specific department or field is a plus.

Skills

- Excellent communication, written and verbal.
- Strong organizational and time management skills.
- Problem-solving and critical thinking skills.
- Ability to work independently and take initiative.
- Adaptability and willingness to learn new things.
- Proficiency in relevant software programs (depending on department).

Job Benefits

- Earn academic credit for internship participation.
- Gain valuable real-world work experience in your field.
- Develop professional skills and network with industry professionals.
- Enhance your resume and stand out to potential employers.
- Potential stipend or compensation, depending on the internship (not guaranteed).
