Bureau of Engraving and Printing Internship Students 2026

Description

Join the Bureau of Engraving and Printing (BEP) Internship Program for Students in 2026 and become a part of an institution with a rich history and a critical role in U.S. currency production. This internship provides a unique opportunity for students to gain hands-on experience in a government agency dedicated to producing secure and innovative currency notes.

Responsibilities

- Assist in various stages of currency production processes under supervision.
- Collaborate with teams on projects related to currency design, printing, or security.
- Contribute to research, data analysis, and report preparation.
- Participate in training sessions and workshops to enhance knowledge and skills.
- Support day-to-day operations and tasks within assigned departments.
- Engage with mentors to maximize learning and professional development.

Qualifications

- Currently enrolled as a full-time student at an accredited institution.
- Pursuing a degree in a relevant field (e.g., Graphic Design, Engineering, Finance, Security Studies, etc.).
- Strong academic standing with a minimum GPA of 3.0.
- U.S. citizenship is required.
- Excellent communication and interpersonal skills.
- Ability to maintain confidentiality and adhere to security protocols

Experience

- Previous internship or work experience is preferred but not required.
- Familiarity with currency design, printing processes, or related fields is advantageous.
- Exposure to government or federal agency operations is beneficial.

Skills

- Attention to detail and precision in work.
- Strong analytical and problem-solving skills.
- Proficient in Microsoft Office Suite.
- Adaptability and ability to work in a secure and regulated environment.
- Interest in currency design, production, or related fields.

Job Benefits

- Paid internship with competitive stipend.
