CRH Summer Internship Program 2026 Apply Now

Description

CRH, a leading global building materials company, offers dynamic summer internship opportunities for students seeking real-world experience in a diverse and innovative industry. Gain valuable insights, contribute to meaningful projects, and network with industry professionals while shaping your future career path.

Responsibilities

- Assist with assigned projects and tasks relevant to your field of study, such as engineering, construction management, business, or concrete management.
- Participate in meetings, presentations, and potentially even field visits (depending on the specific internship).
- Gain hands-on experience and apply industry-specific knowledge and tools.
- Contribute to a collaborative and professional work environment.

Qualifications

- Currently enrolled in a 4-year accredited college or university and in good academic standing.
- Minimum GPA of 3.0 or higher (preferred).
- Strong work ethic, problem-solving skills, and a desire to learn quickly.
- Excellent communication and interpersonal skills.
- Ability to work independently and as part of a team.

Experience

- Prior internship experience (a plus, but not required).
- Relevant coursework or research experience in your field of interest.

Skills

- Proficient in Microsoft Office Suite (Word, Excel, PowerPoint).
- Strong analytical and research skills.
- Ability to prioritize tasks and manage time effectively.

Job Benefits

- Gain valuable experience in the building materials industry.
- Network with industry professionals and build your resume.
- Be a part of a global company committed to sustainability and innovation.
- Competitive salary and benefits package (may vary depending on location).

How To Apply

Visit the CRH careers page at <https://jobs.crh.com/go/internships/1368301/> and search for "Intern" positions under the "Summer Internship 2026" category.
