Devon Energy Internship Graduate Students 2026

Description

Devon Energy is delighted to announce the Internship Program for Graduate Students in 2026. We are seeking highly motivated and talented individuals to join our team and contribute to the energy industry's innovation and growth. As an intern, you will have the opportunity to work on impactful projects, collaborate with industry experts, and gain valuable experience in the dynamic energy sector.

Responsibilities

- Work on project teams to analyze and evaluate technical and operational aspects of energy projects.
- Conduct research, data analysis, and contribute to the development of technical reports.
- Collaborate with cross-functional teams to support ongoing exploration and production initiatives.
- Participate in training sessions, workshops, and networking events to enhance industry knowledge.
- Assist in the implementation of sustainable and environmentally responsible practices.

Qualifications

- Currently enrolled in a graduate program with a focus on geology, engineering, business, or a related field.
- Strong academic performance and a genuine interest in the energy industry.
- Excellent communication and interpersonal skills.
- Demonstrated ability to work both independently and collaboratively in a team setting.
- Eligibility to work in the United States.

Experience

- Previous internship or relevant work experience in the energy sector is advantageous but not mandatory.
- Familiarity with oil and gas exploration and production processes is a plus.

Skills

- Strong analytical and problem-solving skills.
- Proficiency in Microsoft Office applications.
- Adaptability and a keen interest in learning and applying new technologies.
- Effective communication and presentation skills.

Job Benefits

- Competitive stipend for the duration of the internship.
- Exposure to real-world energy projects and industry experts.
- Networking opportunities with professionals in the energy sector.
