Fannie Mae Internship 2026 For Graduate Students

Description

As a Fannie Mae graduate intern, you'll be placed in a specific department based on your interests and qualifications. You'll collaborate with experienced professionals on projects related to:

- **Single-family and multifamily lending:** Analyze mortgage data, support underwriting processes, and contribute to affordable housing initiatives.
- **Capital markets:** Understand the secondary mortgage market, assist with risk management, and explore innovative financing solutions.
- **Research and economics:** Conduct research on housing trends, analyze market data, and contribute to policy recommendations.
- **Technology and innovation:** Support the development and implementation of cutting-edge technologies in mortgage lending and servicing.
- **Community engagement:** Partner with community organizations, develop outreach programs, and advocate for fair and accessible housing.

Responsibilities

- Assist with assigned projects under the guidance of experienced mentors.
- Conduct research, analyze data, and prepare reports relevant to your program area.
- Participate in meetings, workshops, and industry events.
- Contribute to maintaining a professional and collaborative work environment.
- Specific responsibilities will vary depending on your chosen department and program focus.

Qualifications

- Currently enrolled in a **graduate program** in business administration, finance, public policy, economics, urban planning, or related field.
- Minimum GPA of 3.0 required.
- Strong communication, analytical, and problem-solving skills.
- Ability to work independently and as part of a team.
- Proficient in Microsoft Office Suite, with additional software skills preferred depending on the program.
- U.S. citizenship or valid work authorization required.

Experience

- Prior internship or relevant work experience preferred, but not required.
- Experience in your field of study or a related field is a plus.
- Strong academic performance demonstrates your ability to excel in the internship.
