Description

As an intern with FHFA, you will have the exciting opportunity to contribute to critical initiatives that shape the housing finance landscape in the United States. This internship program is designed to provide graduate students with hands-on experience, exposure to diverse aspects of housing finance, and an opportunity to work alongside experienced professionals.

Responsibilities

- Conduct research on housing finance policies, regulations, and market trends.
- Assist in the analysis of housing finance data and contribute to the development of reports.
- Support the planning and execution of projects related to housing finance regulation and oversight.
- Collaborate with FHFA professionals on initiatives aimed at fostering a stable and resilient housing market.
- Participate in meetings, workshops, and training sessions to enhance your understanding of housing finance.

Qualifications

- Currently enrolled in a graduate program in finance, economics, public policy, or a related field.
- Strong academic record with a minimum GPA of [minimum GPA requirement].
- Excellent communication and interpersonal skills.
- Demonstrated interest in housing finance, regulatory policies, and economic trends.

Experience

- Previous coursework or experience related to housing finance is advantageous but not mandatory.
- Familiarity with financial regulations and housing market dynamics.

Skills

- Proficient in data analysis tools and software.
- Strong problem-solving and critical-thinking skills.
- Ability to work independently and collaboratively in a team.
- Excellent organizational and time management skills.

Job Benefits

- Exposure to the forefront of housing finance regulation.
- Networking opportunities with professionals in the housing finance industry.
