FHWA Internship Program For Graduate Students 2026

Description

As an intern with FHWA, you will have the unique opportunity to contribute to critical projects and initiatives shaping the nation's transportation infrastructure. This internship program is designed to provide graduate students with hands-on experience, exposure to diverse aspects of transportation planning, and an opportunity to work alongside experienced professionals.

Responsibilities

- Conduct research on transportation policies, regulations, and best practices.
- Assist in the analysis of transportation data and contribute to the development of reports.
- Support the planning and implementation of transportation projects.
- Collaborate with FHWA professionals on initiatives related to infrastructure development and maintenance.
- Participate in meetings, workshops, and training sessions to enhance your understanding of transportation planning and policy.

Qualifications

- Currently enrolled in a graduate program in transportation engineering, urban planning, public policy, or a related field.
- Strong academic record with a minimum GPA of [minimum GPA requirement].
- Excellent communication and interpersonal skills.
- Demonstrated interest in transportation planning, infrastructure, and public policy.

Experience

- Previous coursework or experience related to transportation planning is advantageous but not mandatory.
- Familiarity with transportation policies and regulations.

Skills

- Proficient in data analysis tools and software.
- Strong problem-solving and critical-thinking skills.
- Ability to work independently and collaboratively in a team.
- Excellent organizational and time management skills.

Job Benefits

- Exposure to the forefront of transportation planning and policy.
- Networking opportunities with professionals in the transportation industry.
- Hands-on experience contributing to impactful projects.
