HHS Internship Students Opportunities 2026

Description

The U.S. Department of Health and Human Services (HHS) offers internship programs throughout the year for students interested in public health, healthcare policy, research, and other HHS-related fields. These internships provide valuable experience working on real-world projects alongside government professionals.

Responsibilities

Responsibilities will vary depending on the specific internship, but may include:

- Conducting research and analysis
- Assisting with program development and implementation
- Drafting reports and presentations
- Participating in meetings and conferences
- Learning about HHS programs and policies

Qualifications

- Gain valuable experience in a government setting
- Network with HHS professionals
- Learn about career opportunities in public health and healthcare
- Potentially earn academic credit (depending on your school)

Experience

- Be a U.S. citizen or legal permanent resident
- Be enrolled in an accredited college or university
- Maintain a minimum GPA (usually 3.0 or higher)

Skills

- Strong research and analytical skills
- Excellent writing and communication skills
- Ability to work independently and as part of a team
- Time management skills
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint)

Job Benefits

- Previous internship experience (preferred)
- Volunteer experience in a related field (preferred)
