National Fuel Summer Internship Opportunities 2026

Description

National Fuel is offering exciting summer internship opportunities for talented and enthusiastic individuals in 2026. Join our team and gain hands-on experience in the energy industry while contributing to impactful projects and initiatives.

Responsibilities

- Collaborate with cross-functional teams to support ongoing projects within the energy sector.
- Conduct research and analysis to contribute to decision-making processes.
- Assist in data collection, interpretation, and reporting.
- Participate in team meetings, workshops, and other collaborative activities.
- Contribute to the development of innovative solutions and strategies.
- Gain exposure to various aspects of the energy industry.

Qualifications

- Currently enrolled in a relevant undergraduate or graduate program (e.g., Engineering, Business, Environmental Science, or a related field).
- Strong academic record and a passion for the energy sector.
- Effective communication and interpersonal skills.
- Analytical mindset and problem-solving abilities.
- Ability to work independently and as part of a team.
- Proficient in Microsoft Office Suite.

Experience

- Previous internship experience in the energy industry is a plus.
- Familiarity with energy-related technologies and trends is advantageous.

Skills

- Analytical and critical thinking skills.
- Strong research and data analysis capabilities.
- Excellent written and verbal communication skills.
- Adaptability to a fast-paced work environment.
- Technical proficiency in relevant software and tools.

Job Benefits

- Hands-on experience in the energy industry with a leading company.
- Networking opportunities with professionals in the field.
- Exposure to diverse aspects of the energy sector.
- Professional development and mentorship.
- Competitive internship compensation.
