

National Geographic Internship Program In US 2026/2025

Description

National Geographic offers a prestigious internship program for undergraduate and recent graduates (within 6 months of graduation) to gain hands-on experience in a dynamic media and science organization. Interns will work alongside professionals on various projects, contributing to National Geographic's mission of exploration, storytelling, and scientific discovery.

Responsibilities

- Assist with research, writing, and content creation for various media platforms (print, digital, social media).
- Participate in photography, videography, or filmmaking projects (depending on the internship focus).
- Support program and event coordination.
- Conduct factual research and prepare informative materials.
- Attend industry events, workshops, and speaker sessions (optional)

Qualifications

- Currently enrolled in an accredited undergraduate or graduate program (or recent graduate).
- Strong academic record with a demonstrated interest in science, exploration, storytelling, or a related field.
- Excellent research, writing, and communication skills.
- Proficient in Microsoft Office Suite and social media platforms (a plus).
- A passion for National Geographic's mission and its areas of focus.

Experience

- Prior internship experience in media, science communication, or a relevant field is preferred.

Skills

- Analytical and problem-solving skills.
- Attention to detail and strong organizational skills.
- Ability to learn new concepts quickly and adapt to a fast-paced environment.
- Time management and prioritization skills.
- Strong interpersonal and collaboration skills.
- Initiative and willingness to take on new challenges.

Job Benefits

- Gain invaluable experience working in a world-renowned media and science organization.
- Network with industry professionals and gain insights into potential career
