OG&E Internship Graduate Students Apply Now 2024

Description

OG&E is seeking passionate and driven graduate students to join our internship program for the 2024 season. This internship offers an invaluable opportunity to gain hands-on experience in the energy industry, working alongside experienced professionals on real-world projects. You'll contribute to meaningful work while developing your skills and knowledge in a supportive and collaborative environment.

Responsibilities

- Assist with various engineering projects under the guidance of experienced mentors.
- Conduct research and analysis related to assigned tasks.
- Participate in meetings and presentations, sharing your findings and recommendations.
- Contribute to the development and implementation of new technologies and processes.
- Collaborate effectively with team members from diverse backgrounds and disciplines.
- Maintain a professional and positive attitude, demonstrating a strong work ethic.

Qualifications

- Currently enrolled in a graduate program in engineering, business, data science, or a related field.
- Strong academic record with a minimum GPA of 3.0.
- Excellent analytical and problem-solving skills.
- Effective communication and interpersonal skills.
- Ability to work independently and as part of a team.
- Proficient in Microsoft Office Suite and other relevant software programs.

Experience

- Previous internship or research experience in a related field is preferred but not required.
- Experience working in a team environment is a plus.

Skills

- Strong analytical and problem-solving skills.
- Excellent communication and interpersonal skills.
- Ability to work independently and as part of a team.
- Proficient in Microsoft Office Suite and other relevant software programs.
- Strong attention to detail and accuracy.
- Ability to learn new concepts quickly and adapt to changing environments.
