PIH Summer Internship Opportunities For Students 2026

Description

Partners In Health is a global health organization committed to providing high-quality healthcare to those in need. Join us for a transformative summer internship experience in 2026, where you can contribute to our mission of health equity and social justice.

Responsibilities

1. **Project Support:** Assist in various health-related projects, contributing to research, planning, and implementation.
2. **Community Engagement:** Participate in outreach and community engagement initiatives to promote health education and awareness.
3. **Data Analysis:** Contribute to data collection, analysis, and reporting for ongoing programs and research projects.
4. **Administrative Tasks:** Provide general administrative support to the team, including organizing meetings and managing documentation.
5. **Learning Opportunities:** Engage in educational sessions and workshops to enhance your understanding of global health challenges.

Qualifications

1. Currently enrolled in an accredited undergraduate or graduate program.
2. Pursuing a degree in public health, global health, social sciences, or a related field.
3. Passionate about global health equity and social justice.
4. Strong academic record and commitment to excellence.
5. Excellent communication and interpersonal skills.

Experience

Prior experience in global health, community outreach, or relevant coursework is beneficial but not mandatory.

Skills

1. Strong organizational and time-management skills.
2. Proficient in Microsoft Office suite (Word, Excel, PowerPoint).
3. Analytical and problem-solving skills.
4. Adaptability and willingness to learn.
5. Collaborative mindset and ability to work in diverse teams.

Job Benefits

1. **Global Impact:** Contribute to meaningful projects that address health disparities around the world.
2. **Professional Development:** Gain practical experience and mentorship in the field of global health.
3. **Networking:** Connect with professionals and experts in the global health
