Public Service Company of Oklahoma Internship 2026/2025

Description

Public Service Company of Oklahoma (PSO) is pleased to announce its Internship Program for the summer of 2026 and extending into the fall. This internship offers undergraduate students a unique opportunity to gain practical experience in the energy sector. As an intern with PSO, you will be an integral part of our team, contributing to various projects and initiatives that shape the future of energy delivery.

Responsibilities

- **Project Support:** Assist with ongoing projects related to energy infrastructure, sustainability, and customer service.
- **Data Analysis:** Analyze data sets to support decision-making processes within the organization.
- **Research:** Conduct research on industry trends, regulations, and emerging technologies to provide insights for strategic planning.
- **Collaboration:** Work collaboratively with cross-functional teams to achieve project goals and deadlines.
- **Report Generation:** Prepare reports and presentations summarizing findings and recommendations.

Qualifications

- **Enrollment in an accredited undergraduate program:** Pursuing a degree in Engineering, Business, Environmental Science, or a related field.
- **Good Academic Standing:** Maintain a minimum GPA of 3.0 or equivalent.
- **Analytical Skills:** Ability to analyze complex data and draw meaningful conclusions.
- **Communication Skills:** Strong verbal and written communication skills.

Experience

- Previous internship experience in a related field is advantageous but not mandatory.

Skills

- Proficiency in Microsoft Office Suite.
- Strong problem-solving skills.
- Eagerness to learn and adapt in a dynamic work environment.

Job Benefits

- **Learning Opportunities:** Gain hands-on experience in the energy industry.
- **Networking:** Connect with professionals and mentors within the company.
- **Career Development:** Access to workshops and training sessions to enhance your skills.
