State Of Alaska Internship Students Program 2025 In United States

Description

The **State of Alaska Internship Students Program 2025** is designed to provide students with valuable hands-on experience in government operations, public administration, environmental management, and other key sectors. Interns will work closely with professionals in various state departments, gaining insights into public service and contributing to meaningful projects that impact Alaskan communities.

Responsibilities

- Assist in research, data analysis, and report preparation relevant to assigned department.
- Support administrative tasks, including document management and correspondence.
- Participate in policy development, community outreach programs, or fieldwork as needed.
- Collaborate with department staff on special projects and initiatives.
- Attend meetings, training sessions, and workshops to enhance professional skills.
- Perform other duties as assigned by supervisors to support state operations.

Qualifications

- Must be currently enrolled in an accredited college or university.
- Open to undergraduate and graduate students in relevant fields such as Public Administration, Environmental Science, Business, Social Sciences, or related disciplines.
- Minimum GPA of 2.5 (preferred but not required).

Experience

- Previous internship or volunteer experience in government, community services, or a related field is preferred but not mandatory.
- Experience in research, data analysis, or administrative support is advantageous.

Skills

- Strong written and verbal communication skills.
- Ability to work independently and as part of a team.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint).
- Excellent organizational and problem-solving skills.
- Strong attention to detail and ability to multitask in a fast-paced environment.
