State Of Michigan Internship Graduate Assistants 2025 | New Opening

Description

The State of Michigan is offering an exciting opportunity for graduate students to apply for the 2025 Graduate Assistant Internships. This program allows interns to gain hands-on experience and valuable exposure to the operations of state government, while contributing to meaningful projects in various departments. As a Graduate Assistant Intern, you will work alongside dedicated professionals in shaping Michigan's future.

Responsibilities

- Assist in the research, analysis, and preparation of reports, presentations, and strategic plans for state programs.
- Provide administrative support to department teams, including data entry, document management, and coordination of meetings.
- Contribute to the development of public policy proposals and legislative initiatives.
- Assist in managing community outreach efforts and constituent engagement programs.
- Work with multidisciplinary teams to address challenges and improve public services.
- Participate in professional development sessions, networking opportunities, and career growth activities.
- Perform other duties as assigned by department supervisors.

Qualifications

- Enrollment in a graduate degree program at an accredited institution (e.g., Public Administration, Policy, Government Affairs, Social Sciences, Business, etc.).
- Strong academic record with relevant coursework or research experience.
- Ability to work independently as well as in team environments.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint, etc.).
- Familiarity with government processes and public service is a plus.
- Good organizational, time management, and communication skills.

Experience

- Previous internship or volunteer experience in government, public policy, or related fields is preferred.
- Experience in research, data collection, or analytical projects is an advantage.
- Familiarity with state or local government operations is beneficial but not required.

Skills

- Excellent written and verbal communication skills.
