## State Of Montana Internship Latest Opportunities 2025 Apply Now

### Description

The **State of Montana Internship Program** offers students and recent graduates a unique opportunity to gain hands-on experience in public service. Interns will work in various state departments, contributing to meaningful projects that support government operations, policy development, and community programs.

### Responsibilities

Intern responsibilities may vary based on department placement but generally include:

- Assisting with research, data collection, and analysis.
- Supporting administrative and operational tasks.
- Participating in policy development and public service projects.
- Collaborating with government officials and team members.
- Attending meetings, preparing reports, and presenting findings.
- Engaging with the community and supporting outreach initiatives.

### Qualifications

- Must be a current student (undergraduate or graduate) or a recent graduate from an accredited college/university.
- Pursuing a degree in Public Administration, Political Science, Business, Communications, Environmental Science, or a related field (varies by department).
- A strong academic record and a demonstrated interest in public service.

### Experience

- Prior internship, volunteer, or work experience in government, nonprofit, or related sectors is preferred but not required.
- Experience conducting research, analyzing data, or working on policy-related projects is a plus.

### Skills

- Strong analytical and problem-solving abilities.
- Excellent written and verbal communication skills.
- Ability to work independently and in a team environment.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint).
- Strong organizational skills and attention to detail.
- Adaptability and willingness to learn in a dynamic environment.

### Job Benefits

- Gain hands-on experience in government operations.
- Networking opportunities with professionals and state officials.
- Competitive stipend or academic credit (varies by position).
