State Of Tennessee Internship Students Program 2025 In United States

Description

The State of Tennessee Internship Students Program 2025 provides undergraduate and graduate students with hands-on experience in public service. Interns will gain valuable insight into state government operations, policymaking, and administration while working alongside experienced professionals in various state agencies.

Responsibilities

Intern responsibilities will vary depending on the assigned department but may include:

- Assisting with research, data analysis, and report preparation.
- Participating in policy development and program evaluation.
- Supporting administrative and operational tasks within state agencies.
- Engaging in community outreach and stakeholder communication.
- Attending meetings, workshops, and training sessions to enhance professional development.
- Completing assigned projects that contribute to the improvement of state services.

Qualifications

- Must be currently enrolled in an accredited undergraduate or graduate program.
- A minimum GPA requirement may apply (varies by department).
- Strong academic background in relevant fields such as public administration, political science, law, economics, communications, or related disciplines.
- Must be authorized to work in the United States.

Experience

- Prior internship, volunteer work, or coursework related to government, public policy, administration, or research is preferred but not required.
- Experience in data analysis, report writing, or project management is a plus.

Skills

- Strong written and verbal communication skills.
- Analytical and critical thinking abilities.
- Ability to work independently and in a team environment.
- Time management and organizational skills.
- Proficiency in Microsoft Office Suite (Word, Excel, PowerPoint) and other relevant software.
- Attention to detail and ability to handle confidential information professionally.
